

Grill & Metal Cleaner is a water-based cleaning detergent for barbecues and metal items.

Grill & Metal Cleaner can also be used for rims on cars, metal garden tools (wheel barrow, lawn mower etc.)

Grill & Metal Cleaner is a very efficient detergent to remove dirt, oil and grease.

Always test on a small area to make sure the surface tolerates the cleaning detergent.

Packaging may be recycled in accordance with local regulations.

Readily biodegradable surfactants in accordance with EU legislation. Store in frost-free place.

Dosage:

- For use with HPW: 2-5%
 - Manual use: 200-300 ml. to 5 ltr. litres of tap water.
- The product can be used concentrated but do not use concentrate on lacquered surfaces.

Application:

- High-pressure washer
- Foam sprayer (item no. 128500077)
- Super Foam Sprayer (item no. 128500938)

Fill detergent into the cleaning tank/Foam Sprayer. Apply detergent on subjects to be cleaned. Wait 2-5 minutes, but without the cleaning agent to dry out. Barbecue grill: Allow the product to soak in for 10-15 min. After cleaning, rinse with tap water. Do not use concentrate on lacquered surfaces.
